

**THE PUBLIC UTILITIES BOARD
OF THE
NORTHWEST TERRITORIES**

July 19, 2021

Jessica Nelson
Pricing Analyst
Stittco Utilities NWT Ltd.

The Board is in receipt of Stittco's letter dated July 15, 2021 indicating there is an error in the Reconciliation of Index Changes to Rate Changes schedule filed on April 21, 2021. The Board notes the above is a typographical error in the Reconciliation of Index Changes schedule and, this does not impact the rate change of amount of \$0.1623 per vapour cubic meter, accepted by the Board previously. Stittco's amendment letter dated July 15, 2021 is hereby acknowledged.

Yours truly,

Doris Minoza
Board Secretary
